LEMON GROVE REVIEW

Vol. 10; No. 20 LEMON GROVE, CALIFORNIA THURSDAY, JANUARY 2, 1958

The Dimmer VIEW

By MAX GOODWIN

I've been embattled with the San Diego Gas and Electric Company for many months concerning the utility pole which is implanted in front of the Lemon Grove post office where it has been bumped into a score of times, denting citizens' bumpers and fenders, and firing the ire of postal patrons, who, incidentally, are also patrons of the gas and electric company.

SDG&E executives have carefully explained to me that they have the franchise rights for the pole right where it is . . . as well as the franchise rights along a lateral line delineated by their poles along Broadway. At least one executive of the utility firm questioned the rights of motorists to use this area for parking at all.

I would be the first to admit my ignorance of the legal aspects of this question but I think the firm should question its own conscience in physical hazard they have created.

The company did lamely come up with the excuse that "we were here first" and the post office traffic built up around their facility, at one point in our negotiations. I guess that every spokesman for the firm would want to publicly retract that bit of verbal stupidity for obvious reasons.

I can remember when utility firms were cognizant of the public service responsibilities that goes with being a utility as well as a monopoly.

This philosophy has evidently undergone some change as the public utilities commission has become more powerful. While the moving of this pole is not a PUC matter, it is fair to point out that PUC is supposed to be a protective device for the "people" but the utility boys wave their arms toward Los Angeles where PUC holes up when some policy matter, like the silly incorporated-non-incorporated rate variance is questioned. Thus our own "protector" becomes handmaiden to the utility firm.

If enough citizens bump their brains out on that one single pole in front of the post office, which is the most public place in Lemon Grove, maybe a few will question what PUC protects. (The .'s an SDG&E gas rate increase request on PUC's table right now). We have no right to a voice in SDG&E affairs unless we are stockholders, but we certainly do have as far as PUC affairs are concerned.

If every person who has bumped into the pole were to write a letter to the Public Utilities Commission they'd think a PUC revolution had occured in Lemon Grove.

And maybe that isn't such a bad idea!

Want to know how much money the county is collecting in Lemon Grove via the 1 per cent sales tax which the Board of Supervisors voted into being last July 1 when county sales tax was raised 33%

Masonic Services Planned For Edwin A. Eddy

Edwin A. Eddy, 67, of 4066 Camino Pan, Spring Valley, died at his home Saturday. He retired from a Minneapolis commercial hauling and transfer business in 1951. Two years later he came to Spring Valley to live.

Masonic services will be held at Greenwood Mortuary at 10:30 a.m. Friday and a military funeral will be held at Ft. Rosecrans National Cemetary.

Eddy was a member of the Paul Revere Masonic Lodge at St. Louis Park in Minneapolis. He was also a member there of the Eastern Star, the Gloria Deo Chapter White Shrine of Jerusalem, the Scottish Rite and the Al Bahr Shrine. Locally, he was a member of the Mt Helix High Twelve Club.

Survivors include his widow Ruth M., and a sister, Mrs. W. F. Gleene, of Duluth. A nephew lives in Allied Gardens in San Diego.

$500 IN A BAG was the prize in the Lemon Grove merchants' give-away last week. This is how it was done!

Everyone who visited Lemon Grove's business district was given a coupon by members of the Lemon Grove Boosters. The Boosters, a division of the chamber of commerce, solicited its members for the loot, and put it up as a door prize for some lucky Lemon Grove Christmas shopper. It was not necessary for the winner to make a purchase or to be present at the drawing.

Frank Thomas, 9017 Kenwood Drive, Spring Valley was the winner. Avalon Cafe gave out the coupon by which Thomas won and employes there split the extra $100 between them. Shown in the photo at the time of the drawing are L. Brouillard, president of the Boosters; Colonel Bob Pulliam, chairman of the Christmas Activities Committee, and one of the prettiest girls in town, Doree Radici, who drew Thomas' name from the hundreds of thousands of coupons. — Tappy Foto

A CAD, A DOLL AND A SACK OF DOUGH

Three S. V. Families Say New Year Looks Bright

All the world loves a lover, and as far as we've been able to ascertain, most everyone is quite fond of a winner, too.

Well, fondness has been flowing freely around Spring Valley for the past month as three persons in the area were winners of some very lovely and useful Christmas gifts.

For instance, the first lucky Spring Valleyite was Mrs. Patricia Berger of 9270 Birch. That beautiful "money" doll with $100 currency pinned on its gorgeous dress, and which had everyone in the Lemon Grove-Spring Valley area drooling for quite a few weeks, was finally won by Mrs. Berger. She picked it up just a short time before Christmas.

Mrs. Berger, whose winnings before included one turkey in North Park several years ago, had made an agreement with her son; if she won the doll and money, she would split the money with him. She and son went to Lemon Grove early the day of the drawing, thinking the drawing would be at 1 p.m., but found it wasn't until 3 p.m. At a little after 3 p.m. she was in the "Shopping Center" and was told she had won the prize. Of course, like many people, she didn't believe it . . . thought she was being "kidded." It wasn't until she was notified officially that the reality made itself clear.

The second person to win something "useful as well as ornamental" was Trie Butler, who ran the service station at Paul's Corner, Central Avenue and Troy Street, for about 19 months. While True isn't exactly a resident of Spring Valley, he's well known here . . . lives the other side of Encanto.

During the time True was in charge of the station he was ineligible to win any of the prizes given away by the oil company supplying oil and gas to the station. He just had to stand there bug-eyed while the prizes fell into the hands of his customers, but he wasn't jealous. The top prize, which was won at Paul's Corner several times was a brand new Cadillac.

Palm Ave. School To Open Monday

Moving day for all Palm Avenue students will be Monday, Wiley Cornelius, principal of Palm Avenue said that the children will be moved by class in individual bus trips with their teacher. The classes will gather on the playground of Golden Avenue School at 9:15 a.m. and go from there to their new classrooms at Palm Avenue School, 8425 Palm Street. Principal Cornelius said "I would like to take this opportunity to thank every parent and child for their cooperation during the past months of double session at Golden Avenue School which has resulted in a minimum of confusion for all concerned."

Mrs. Anthony E. Codina, Welfare Chairman of Palm Avenue Parent-Teacher Association will hold the next regular board meeting at her home, 2337 Cypress Avenue, at 7:30 p.m., next Tuesday. She will be assisted by Mrs. Jack Durham and Mrs. Ray Johnston. President Mrs. Alf Holmberg will preside.

An open house meeting at the new Palm Avenue School will take place Thursday, January 9, at 7:30 p.m. the First Grade Room Mothers will be hostesses. Mt. Miguel Vocal Group will provide music.

H. W. Wright, III Two Years, Succumbs

Hamilton W. Wright, 65, a retired maintenance engineer, of 1751 Colfax Drive, died December 22 at Quintard Hospital. He had been ill for two years.

Wright had lived in the south bay area for 20 years, in Lemon Grove for two years. He was associated with the Kelco Chemical Company until he retired due to his health two years ago.

Survivors are his widow, Cora; two daughters, one is Mrs. Robert G. Hughes of Lemon Grove, and an out-of-state daughter, Mrs. Dorothy Toely. A son, Sam Vernon, is in Pago Pago, Samoa, with Van Camp Foods. A brother Rueben lives in National City. There are also five grandchildren.

Services were held Monday followed by burial in Greenwood Memorial Park.

YEAR IN REVIEW

by Max Goodwin

It may have been the start of a new era. And is may well be the end of many aspects of life as we have known it.

The USSR called it Sputnik.

Here in the United States, newspaper readers learned from Sputnik One and Two that an 184 pound satellite in an elliptical orbit reaching from 140 to 560 miles away from the earth will stay up at least two months. And, they learned that a dog can be put into a 1,120 pound package which can be accelerated to 18,000 miles an hour and put into an orbit reaching out to 1,056 miles.

It was an important news story.

(For Spring Valley in Review — See Page 1-A)

But the year is over and most of us view it with mixed emotions. Some things which happended were good, some were bad, and some hardly bothered us at all.

The president's illness, Sputnik, and semi-integration, I suppose were the leading events, as far as general news interest is concerned but a lot of things happened around Lemon Grove of varying degrees of interest . . . some were important to many, some were important to few . . . but all were important to this newspaper . . . so we printed these stories:

In January we announced that Mrs. Eugene Beers of the Lemon Grove Trailer Park won the 1956 Business Women's League "Money Doll." The Byron Netzley's, he is the superintendent of Lemon Grove schools, were invited to the presidential inauguration by Vice President Nixon. Roger Johns, REVIEW photographer pulled his neighbors, Mr. and Mrs. J. D. McLaughlin, of 2729 Corona Avenue, from their smoke filled home during the wee hours. Sheriff's men recovered 31 typewriters stolen from Helix High School. Dr. Si Brumbaugh was installed as president of the Kiwanis Club.

Williams' Department Store was opened and Attorney W. Earl Smart was installed president of the Chamber of Commerce. San Diego Glass and Paint opened a branch on Broadway and Mrs. Bernardine Adams was awarded $50,000 on a $650,000 claim against the U. S. Government charging the government failed to warn against her tubercular husband returning home to live and as a result she and three daughters got it.

The month closed with the REVIEW acquiring a new line-casting machine, an Intertype. Cost, $22,000.00.

In February George Scott, developer of College Grove Shopping Center and director of the Lemon Grove Chamber of Commerce, contributed funds for a neon directional sign for Lemon Grove. The Lemon Grove freeway opened and a Brawley man broke his back in an accident on it. Fred Hansen acquired water rights for his 2,500 acre La Presa County Water District and Melvin C. Grant was named principal of the yet to be opened Mt. Miguel High School.

In March more than 4,000 persons got Salk inoculations against polio at the Youth Center . . . more than at any other county inoculation center. Bert Betts, local accountant, announced his intention to run for the State Controller's seat, and the Food Basket opened. Paul Reynolds, business manager for the school district got an honorary life award from the PTA. The Fire District annexed 500 acres in three finger parcels of land jutting into the district.

The month ended with the Grossmont Hospital District announcing a "break" of $2 a day on district residents' bills, following a two year crusade by this newspaper.

In April the Chamber of Commerce set up a "council" to study local government and this became the first step toward forming the Economic Survey Committee. Mt. Miguel chose Matadors as its nickname and Dee Brumley came from Oregon to buy Lane's Shoes.

The Grossmont Hospital asked for use of $600,000 be mixed with state and federal funds to build a new wing and the Kiwanis Club walloped the Lions Club as it does annually. This time by a score of 18-8. Joe Mack, County Road Superintendent let out a squawk you could hear from Lemon Grove to Sacramento when he saw the condition of Broadway as the state returned it to the county after the freeway was opened. Julie Farle was installed as president of the Business Women's League and work started on the $350,000 Palm Avenue School on Palm Street.

In May the Public Schools Week's essay contest winners were named. They were Eddie Lebb, Lucinda Danielson, Janice Fukishima, Diana Rank and Douglas Martin. Work was started on the El Cajon branch of the Lemon Grove freeway. During the month the County Board of Supervisors promised a park and library to residents of the Grove to be bought with added sales tax income. The tenth annual luncheon of charter members of the Lemon Grove PTA was held (founded 1930) and eight charter members were present. Harry Buckner beat Bert Betts in the race for grade school trusteeship and Palmer Svalstad was re-elected to the high school board of trustees. Mrs. Forrest Baxter earned the Foothills Council PTA life membership award and the REVIEW won first place in the San Diego Unit of the California Newspaper Publishers Association annual competition for coverage of youth activities.

The month closed with the first annual community fashion show being held at the Junior High School.

In June, threat of action under the Luckel Act was made against members of the school board following a brawl involving classified personnel. Forrest Baxter, following his good wife in accomplishment, was elected district governor of Lions International and later installed Dr. Calvin Nicholl as president of the Lemon Grove Lions Club.

Mrs. Lawrence Vlach was installed president of the Lemon Grove Woman's Club and Mrs. William Miller was installed as president of the Woman's Club Juniors.

More than 100 students graduated from Helix High School and Mrs. Pete Wood was installed as Lioness president. Voters approve Grossmont Hospital spending $600,000 for a new wing. Only 4% of the voters turned out. Harold Secor was installed as president of the Rotary Club. After three years of crusading by this newspaper its dream came true when the Skyline Lomita Village link was opened.

In July supervisors set funds in the 1957-58 budget for park and library for Grove. The Lemon Grove Rodeo was held and John Englestad was installed as Junior Chamber of Commerce president. An 18-year-old local girl who charged a Spring Valley motorist with "kidnapping," admitted later she was willing. Helix Irrigation District raises tax rate 4c and Charlie Hesser of Golden Avenue was given the nod for vice commander of California's VFW. The school board called a $1.2 million building funds election. Victoria Sue DeFrate, six years old, who lived on Golden Avenue, died during a tonsil operation. The State Hospital Advisory Council turned

'Test Run' Kills Autoist, 17

A seventeen-year-old Helix High School student, Doyle Lee Shoemaker, of 3163 Florine Drive, in Lemon Grove, was killed instantly Sunday afternoon at 2:30 when the car he was driving overturned and crashed on Jamacha Road.

Michael Williams, 16, of 1529 Drexel Drive, a passenger in the car escaped injury. He said that they had been working on the car earlier in the day and were giving it a test run.

Shoemaker, according to California Highway Patrol officers, was westbound on Jamacha Road east of Cardiff Road, at a high rate of speed when he lost control of the car. It crashed into a 50-ft. ditch at the side of the road. Shoemaker was thrown from the car and the car then rolled over him.

He is the son of Mrs. Rosie Sikes at the same address. His stepfather, Robert Sikes, is employed at Skinner Tire Company in San Diego. Surviving also are two sisters and a brother.

Funeral services are pending.

Local Directory To Be Issued

Elizabeth Seymour of Spring Valley announced last week that she is working on the completion of the third edition of the Homeland business directory for the Lemon Grove and Spring Valley areas. She said she hopes to have the directory out by March.

The directory will have businesses, organizations, churches and emergency numbers listed.

Anyone interested in being listed in the directory are urged to call HO 9-0101, and leave word for the Homeland directory.

Valley Contractor Nailed On Grand Theft Charge

James Dahl, Spring Valley carpenter and contractor was arraigned before Municipal Court Judge Phil Smith last week, on a grand theft charge, arising from a contract to build a $22,900 home in Coronado. The complaint was signed by Mrs. Sally Murphy of Coronado.

Deputy District Attorney Sam Cerniglia said Dahl allegedly failed to pay sub contractors and material suppliers.

Other dealings by Dahl are being investigated, according to a report.

Monty Ostberg Jr., 2½ Year Old, Succumbs

Monty Gene Ostberg, Jr., 2½-year-old son of a Lemon Grove family, of 7847 North Avenue, died December 23 enroute to a local doctor's office. Family members said that he had been ill for several days but was recovering. He collapsed in his bedroom and died as a result of a blood clot, they said.

Burial was held at Greenwood Memorial Cemetery Thursday. He is survived by his parents, Mr. and Mrs. Monty Ostberg, Sr., and his grandparents, Mr. and Mrs. Sam D. Gifford, of San Diego, and Mr. and Mrs. Melvin Ostberg of Palm Avenue, Lemon Grove.

Cyclist Hurt Passing On Right

John J. Keber, a San Diego motorcyclist, was injured severely Christmas Day when he crashed into the side of an auto driven by James Bernhard, 7957 Pala Place, Lomita Village. The accident occurred at Broadway and Buena Vista.

According to California Highway Patrolman John Annis, who investigated the accident, both vehicles were headed west. Keber, was taken to Naval Hospital. No one was cited.

More Valley Dogs Are Poisoned

Two more dogs have been poisoned in the Bancroft and Kenwood area of Spring Valley, where two others were poisoned and died a week previous.

One of these last two, belonging to Mr. and Mrs. James Ray of Kenwood Drive, died last week end in the pet hospital of Dr. Fred Sherman. At that time Dr. Sherman had not determined what type of poison the dog had received. The other dog, belonging to Mr. and Mrs. Frank Thomas, also of Kenwood Drive, is still in the hospital.

Mrs. Thomas reported to this newspaper that another dog, belonging to her neighbors, Mr. and Mrs. Lovejoy, had run into the house and dropped over dead. It has not been established if the Lovejoy dog was poisoned.

Residents in the Bancroft and Kenwood area are warned to be extremely careful about letting their pets run loose as it has not been determined if the dogs were poisoned accidentally or deliberately.

CHAMBER TO HIRE PROFESSIONALS FOR INCORPORATION WORK

Wallace Dorman, chairman of the chamber of commerce incorporation study committee said this week his committee would submit the names of three professional community development concerns to the board of directors at the first January meeting. Meeting is scheduled January 9.

The seven man committee had been instructed to acquire the names of such firms; to work out a time-table, and to set up the machinery for bringing incorporation to a vote in Lemon Grove sometime in July.

Dorman said that the timetable would have to wait until a professional group was acquired and this group would set the time table.

The chamber, in December, voted to spearhead an incorporation campaign by circulating petitions asking the Board of Supervisors to call an election.

Ernie Newton, 1958 president of the chamber, said that one estimate of the cost of professional help was $18,000 This would be the cost without any volunteer help, he said. Any work done by local proponents would reduce the cost.

The chamber recently raised $1,800 by way of contributions to have a professional and unbiased economic survey made. A poll taken of 27 clubs and groups in Lemon Grove regarding course of action showed 20 for incorporation, none for annexation to the city of San Diego. Four did not respond and three said their by-laws did not permit action one way or another.

Chamber of commerce past president W. Earl Smart said at the Decemer meeting that the clubs responding represented about 3,500 people. This was a good indication of how strongly local residents felt regarding the need for local government, he said.

Petitions, when circulated, must must have the signatures of at least one-fourth of the community's 6,000 voters and these must represent ownership of at least one-fourth of the assessed valuation of the property of the proposed city. (Estimated valuation $19 millions.)

Newton will preside over the January 9 meeting which is to be held at Michael's at noon.

An installation dinner for chamber officers will be held January 20 at Michael's.

MVT ELECT OFFICERS, EYE EDUCATION

Mrs. Lucy Martin of 8856 Kenwood Drive, Spring Valley, was reelected president of the Mountain-Valley Taxpayers Association, when that group met in the Spring Valley School recently.

Other officers also reelected were: T. R. Love, vice -president, 8935 Harness, Spring Valley; Mrs Lillian Swendra, treasurer, 4003 Rogers Road, SV.; Roy Martin, corresponding secretary, 8856 Kenwood Drive, S.V.

Chairman of committees:

Cecil Grisetti, finance, 2035 Helix Street, Spring Valley; A. R. Trimble, election, 3862 Spring Drive, SV.; Comm. Ross Miller publicity; 3862 Diversion Dr., SV; Charles Kastriner, program, 9155 Ivy SV.; Earl Barnes, rules, 2363 Highview Lane, SV.; Gen William Miller, taxation, 9462 Carmichael Dr., La Mesa; Mrs. A. A. Burdick, education, 8429 Hillcrest Dr., La Mesa.

Dr. Mary Barnes, of National City, a retired school administrator gave a talk on suggested action to strengthen our educational system. Dr. Ed Smith and Mr. and Mrs. Bill Shearer also gave brief addresses.

The MVTA extends an invitation to all persons interested in local and governmental problems to attend the meetings, held the second Thursday of each month in the Spring Valley Elementary School.

RESOLUTION

The Mountain-Valley Taxpayers Association at the last week meeting, passed the following resolution.

Inasmuch as the Russian scientific achievements have recently startled the whole nation and it is now known that the Russian school curriculum is superior to that of California in the training of first class scientists and engineers, we believe along with President Dwight D. Eisenhower and Ex-President Herbert Hoover that a dangerous crisis, caused by lowered standards, exists in American education; therefore, be it resolved by the Mountain-Valley Taxpayers Assn.;

enter the so-called state colleges, of two or more years of foreign language, algebra, geometry, and a labratory course in physics and chemistry be restored and included so that by the fall semester of 1960, no student without a recommended grade in these subjects be admitted to any state college in California.

Second, that home work and study be immediately required in all grades of the public schools. This requirement will not only strengthen our school system, but will reduce child delinquency caused by boredom, arising from too easy school tests and from idleness.

Third, that, as soon as possible within this school year, committees on the state level revise upward and curricula of all public schools by increasing factual and definite courses in history, geography, languages, English, mathematics and sciences, so that American youth will use its idle brain power and thus enable our country to survive.

Fourth, that a copy of those resolutions be sent to the State Superintendent of Public Instruction, to the members of the State Board of Education, to the County Superintendent of Public Schools and to the members of the County Board of Education, to the superintendent, principals, and members of the Board of Education in all local school districts and to the president of the local state college.

EDUCATION

The MVTA also pointed out the following:

We are all aware that county taxes are necessary to provide adequate education for our children, maintain our roads, and provide other essential services, but we do believe that it is time for prudent and sensible economy before taxation jeopardizes our homes. We hear the old theme song "that with more people moving into the county, more and more money is needed." We might be somewhat skeptical with this argument, because there are more and more homes to tax. We grant that more school facilities, more roads and more services are required for more people, but it seems logical that some of these extra costs are absorbed by additional tax revenue received from new homes. Why should homes already here be expected to furnish more and more revenue for the tax eaters? Let us take stock of this situation and do something about it.

Dr. Askew Says Third Polio Shot Due

A large number of persons in the Heartland area are now ready for their third Salk vaccine inoculation against paralytic poliomyelitis.

Dr. J. B. Askew, Director of the San Diego Department of Public Health said yesterday the third injection of the vaccine should be given seven months after the second injection. Persons who received their second injection before mid-April are now ready for their third.

"This means that all persons who received their second injection at a public immunization center at El Cajon High School or Meridian School in El Cajon, at Grossmont High School, Lakeside School, Helix High School or Lemon Grove Jr. High School are ready now for their third injection," Dr. Askew said.

The schedule of public immunization centers held at those schools was completed on April 20.

Dr. Askew said persons now ready for their third inoculations should see their family doctor for the injection. He added that there is an abundant supply of polio vaccine available in San Diego County.

The third inoculation of Salk Dr. Askew said, for the fullest protection against the crippling effects of poliomyelitis. The first injection is only 60 percent effective, he said, and the second injection raises that effectiveness to about 85 per cent.

"The series of inoculations is not considered complete without the third injection," Dr. Askew said.

He pointed out that the local need for third inoculations is particularly great in the pre-school age group and among persons over 15 years of age. Only 14 per cent of the youngsters under 5 years of age have had their third inoculation, Dr. Askew said, and in the age group over 15 third inoculations have been given to less than 3 per cent.

"Many people received their injections early this year at group clinics arranged by the San Diego County Medical Society or at their doctor's office," Dr. Askew went on. "It would be a good idea for them to check their calendar to be sure when their seventh month waiting period will be up. As soon as possible after that date they should make an appointment with their family physician for a third inoculation."

Dr. Askew urged all persons under 40 years of age who have not yet received any Salk vaccine inoculations to arrange with a physician to begin the series of inoculations at the earliest possible date "So far as paralytic poliomyelitis is concerned," he said, "this is the age group of greatest risk."

☆ According to the San Diego County Branch, American Cancer Society, one-fourth of all cancer deaths in the the United States could be avoided by earlier detection and prompt treatment of the disease.

Former Resident Back For Visit

Chester J. Harrison, formerly associated in Lemon Grove with Howard Stiner, the builder, was a visitor here this week. He is now director of public works for the city of Wisconsin Dells. With him is his family.

They lived at 7575 Hughes Street in Lemon Grove from 1951 to 1954. Harrison said he is interested in returning to Lemon Grove to serve the city if Lemon Grove incorporates.

☆ The San Diego County Branch, American Cancer Society, says a regular health checkup is the best insurance against cancer.

YWCA Lists 1958 Classes

Junior life saving courses—with classes limited to 20—for the winer term at the Young Women's Christian Association will begin Saturday. The classes are for both boys and girls and are scheduled for 3:45 and 5:15 p.m.

A nominal registration fee plus an activity card, for either juniors or adults entitles the holder to a choice of two classes, a medical check-up and plunges in the YWCA pool. All activities are supervised by qualified YWCA instructors. All have completed requirements for water safety instructors.

All-day Saturday programs are to be featured for the new term which begins January 4 and ends March 22 for juniors; for adults, the term is from January 6 to March 28. For adults, life saving and water safety instructor's courses will be from 1:30 to 3:30 p.m.

Carol Wilson, 7872 Mt. Vernon Street, Lemon Grove, a sophomore at San Diego State College, will be the instructor for two new courses—tap dancing and baton twirling—for the Saturday junior program. Miss Wilson has been an instructor for both the La Mesa Recreation Department and for Patti's Dance Studio.

One tap dancing class will be for 6 to 9 year olds—another for 9 to 11 year olds. The adult program includes classes in modern, ballroom and Hawaiian dancing. Other courses will be bridge, conversational Spanish, golf, horseback riding, and other sports.

In addition to sewing, tailoring, painting, ceramics, crafts, flower arranging and the swimming, charm and figure control classes will be offered.

The Adult Department of the YWCA will be giving for the first time at Seminole Center, 4818 Seminole Drive, classes beginning January 13 through March 24. Vicki Korosi will be teaching "Figure Control"—Edgar Wortman will be teaching Beginning Bridge, and Katherine Shannon will be giving Family Catering.

New activity schedules are now available at the Activity Desk of the YWCA, 1012 C Street. Call BE 9-0355 for further information.

March of Dimes Appeals Go Into Mails

More than 240,000 March of Dimes fund appeals have been mailed to San Diego County residents as the annual polio drive swings into high gear, Mrs. Beth Bennett, county campaign chairman, announced today.

Mrs. Bennett said more than 300 volunteers had given freely of their time in preparing the mailers for delivery. Mrs. A. J. Bard and Mrs. Robert B. Barth directed the mammoth undertaking which required several months of work.

Although the Salk vaccine has made tremendous inroads in stamping out polio, funds are urgently needed to continue patient care for the 519 polio victims in San Diego County, Mrs. Bennett pointed out. A large number of these are being restored to normal, active lives through modern rehabilitation methods.

But care is costly and much time is required to produce results. That is why the March of Dimes is appealing to everyone to return their coin envelopes.

Happy New Year

The blessings of peace and faith be with you during the holiday season.

LEMON GROVE

PROMOTED — A Lemon Grove man, M. Loren Burrell, of 8065 Longdale Drive, was promoted to assistant auditor by action of the executive committe of the board of directors of the First National Trust and Savings Bank.

Burrell joined the staff of First National in 1946 as a bookkeeper and was subsequently made manager of the head office central proof department. In 1952 he was appointed administrative assistant to the auditor, a post he has held until this promotion. Burrell is presently enrolled in the National Association of Bank Auditors and Comptrollers School, Madison, Wisconsin and has completed one resident session of the three year course.

Regardless of how many pruning exhibitions you attend or how many people you see out pruning their roses, don't succumb to the temptation to prune yours until the danger of frost is past. It is now conceded that the best time to prune roses in California is usually from the 1st to the 15th of February. At that time the roses are advanced far enough for you to make a selection of the best buds to retain and you can shape your bush with vision and foresight.

The last week in January I will devote this column to ROSES so that you may have the advantage of any suggestions I can give you at the time when you are actually ready to do your pruning.

We think of January as the month for planting Bare Root Roses. And it's also the best time of year for removing or resetting old roses. Ornamental fruit trees can be set out now and also deciduous flowering shrubs.

Send for my free bulletin of "Roses."

Local Attorney Gets Area 'Y' Appointment

Wallace D. Dorman, Lemon Grove attorney, was elected to the 1960 panel of the Pacific Southwest YMCA Area Council at the December meeting of the County YMCA Board of Directors held in the Downtown YMCA auditorium.

Dorman is president of the County YMCA Board of Directors. He will represent the County Y at the YMCA Area Council meeting in Fresno March 14-16 and at other council gatherings. Also elected from the county were Duane A. Hawkins of National City and Wm. C. Poirier, County Y General Secretary, of Fletcher Hills.

(19) Thence North 70°30'30" East 289.29 to the Point Of Beginning.

Said territory is designated and identified for said election purposes and for use upon the ballots at said election as POFFY STREET

For the purpose of said special election, there has been established in said territory one voting precinct. The polling place for said precinct will be in the garage at 8630 Poppy Street, San Diego County, California. The polling place will be opened at 7:00 A.M. and closed at 7:00 P.M. on said 28th day of January, 1958.

Upon the ballots to be used in said special election there shall be printed the words:

SHALL POFFY STREET BE ANNEXED TO, INCORPORATED IN AND MADE A PART OF THE CITY OF LA MESA AND THE PROPERTY IN SUCH TERRITORY BE AFTER SUCH ANNEXATION, SUBJECTED TO TAXATION EQUALLY WITH THE PROPERTY WITHIN THE CITY OF LA MESA, TO PAY THE ENTIRE BONDED INDEBTEDNESS OF THE CITY OF LA MESA OUTSTANDING OR AUTHORIZED AT THE DATE OF THE FILING OF THE PETITION FOR ANNEXATION FOR THE ACQUISITION, CONSTRUCTION OR COMPLETION OF MUNICIPAL IMPROVEMENTS?

Opposite these words there shall be printed the words "YES" and "NO", and to the right of each of these last two words there shall be a voting square. If an elector shall stamp a cross (+) in the voting square after the printed word "YES" the vote of such elector shall be counted in favor of the annexation of said territory to the City of La Mesa; and if an elector shall stamp a cross (+) in the voting square after the printed word "NO" the vote of such elector shall be counted against such annexation.

In all particulars not herein recited said election shall be held in conformity, as near as may be, with the laws of the State of California, concerning general elections and with said Annexation Act of 1913.

The improvements for which bonded indebtedness of the City of La Mesa has been incurred, outstanding at the date of the first publication of this notice, and the amounts thereof, and the maximum rates of interest payable thereon are as follows:

First Federal Breaks Record For Payments

All time record earnings were paid by First Federal Savings and Loan Association of San Diego for the calendar year of 1957, including earnings paid or credited to accounts on December 31. A total of $1,106,366.00 was paid on savings and investment accounts.

"First Federal has enjoyed a continued and healthy growth," president Harold B. Starkey stated. "For the first time, the Association has passed the $40,000,000 total in assets, and although this Association has never placed growth as its primary goal, it is gratifying to note that since the end of World War II, the Association's assets are up more than 400% and savings approximately 500%."

First Federal's branch offices are located at 42nd and El Cajon Boulevard and 5th and University Avenues.

NOTICE OF INTENTION TO VACATE AND ABANDON PORTIONS OF EL PRADO AVE. AND A COUNTY ROAD, LEMON GROVE.

PUBLIC NOTICE IS HEREBY GIVEN that the Board of Supervisors adopted a resolution on December 17, 1957, declaring its intention to vacate and abandon the following-described County highways.

That portion of El Prado Avenue according to Map thereof No. 1320 of the El Prado Tract, filed in the office of the County Recorder of San Diego County, lying northeasterly of the northeasterly line of 2, 9, & 16, 1958.

San Altos Unit No. 1, according to map thereof No. 1967 filed in said office of the County Recorder, and lying southerly of the southerly line of that certain vacation and abandonment of a portion of said Avenue on 1-26-31 by order of the Board of Supervisors of said County, a copy of said order being recorded in Book 63, page 312 of Supervisor's Records.

ALSO, that portion of a right of way for public highway conveyed to said County of San Diego by easement recorded in Book 1390, page 447 of Official Records of said County, lying southwesterly of the northeasterly line (and its prolongation) of Lot 77 of said El Prado Tract.

The Board has fixed Tuesday, January 21, 1958, at 11:00 a.m. and the chamber of said Board, Room 310 San Diego City and County Administration Building, Civic Center, San Diego, California, as the time and place for hearing on said resolution of intention to vacate and abandon said highways.

YOU ARE HEREBY NOTIFIED to appear at the time and place fixed for said hearing and show cause, if any you have, why said portion of highways should not be vacated and abandoned.

For further details reference is hereby made to said resolution of intention on file in the office of the Clerk of the Board of Supervisors, Room 306 San Diego City and County Administration Building, Civic Center, San Diego, California.

Said territory is designated and identified for said election purposes and for use upon the ballots at said election as HIGHLAND VIEW ACRES NO. 2.

For the purpose of said special election, there has been established in said territory one voting precinct. The polling place for said precinct will be in the garage at 7371 Saranac Avenue, San Diego County, California. The polling place will be opened at 7:00 A.M. and closed at 7:00 P.M. on said 14th day of January, 1958.

Upon the ballots to be used to said special election there shall be printed the words:

SHALL HIGHLAND VIEW ACRES NO. 2 BE ANNEXED TO, INCORPORATED IN AND MADE A PART OF THE CITY OF LA MESA AND THE PROPERTY IN SUCH TERRITORY BE AFTER SUCH ANNEXATION, SUBJECTED TO TAXATION EQUALLY WITH THE PROPERTY WITHIN THE CITY OF LA MESA TO PAY THE ENTIRE BONDED INDEBTEDNESS OF THE CITY OF LA MESA OUTSTANDING OR AUTHORIZED AT THE DATE OF THE FILING OF THE PETITION FOR ANNEXATION FOR THE ACQUISITION, CONSTRUCTION OR COMPLETION OF MUNICIPAL IMPROVEMENTS?

Opposite these words there shall be printed the words "YES" and "NO", and to the right of each of these last two words there shall be a voting square. If an elector shall stamp a cross (+) in the voting square after the printed word "YES" the vote of such elector shall be counted in favor of the annexation of said territory to the City of La Mesa; and if an elector shall stamp a cross (+) in the voting square after the printed word "NO" the vote of such elector shall be counted against such annexation.

In all particulars not herein recited said election shall be held in conformity, as near may be with the laws of the State of California, concerning general elections and with said Annexation Act of 1913.

The improvements for which bonded indebtedness of the City of La Mesa has been incurred, outstanding at the date of the first publication of this notice, and the amounts thereof, and the maximum rates of interest payable thereon are as follows:

Funds, Issue and Purpose	Maximum Rate of Interest (per cent)	Amount Indebtedness on 12/5/57

COURAGEOUS MAN

South Bend, Ind. — Glen W. Dunning fell eight feet from the roof of his house to the ground, but, undaunted, he already had a ladder set up and was ready to climb back to resume his house painting when police arrived. They persuaded Dunning to go to a hospital, where he was found to have a broken back, body bruises and a concussion. Dunning is 81 years old.

'8 NEW SCHOOL SITES TO BE ACQUIRED

The La Mesa-Spring Valley School District is completing proposals to acquire eight new school sites for the district, Dr. Ted Dixon, associate superintendent, indicated last week. He said three of the schools will be north of Highway 80, one to be a junior high school. The other five will be south of Highway 94 freeway.

The district also has four projects planned, which should start around March 1 and be completed by the time school opens in September. The projects are additions to the Casa de Oro School, which will complete that school; the Maryland Avenue School, which will have seven classrooms and office space; additions to Northmont School (5 portables); and additions to the Bancroft School (3 portables).

And things are "looking up" in the La Presa area, Dr. Dixon pointed out. He said that Bollenbacher and Kelton, the developers who own about 500 acres south of Mt. Miguel High School, should be starting ground work within the next three months, preparatory to constructing 1500 to 2000 homes. He said he understands the homes should be ready and occupied by the time school starts in September.

To start with, Dr. Dixon indicated, there will have to be two schools in that area to take care of the children who will be moving in. There are great expectations for a tremendous growth in the La Presa area.

GALLANTRY MISFIRES

San Pablo, Calif.—While Lyle D. Rumple, 28, was filling the gas tank of his steamroller, two young women approached and asked if he would give their stalled car a push. Rumple went behind their car and pushed. The car backfired—igniting some gasoline that had spilled on Rumple's shirt. He was taken to a hospital with second and third degree burns on his chest and arms. In the meantime, the car started.

LION ATTACKS GIRL, 3.

Muskegon, Mich. — Little Beatrice Ann Harris, 3, is recovering from injuries suffered when a lion, chained in its owner's back yard, grabbed her head in its jaws. The child's father, Gerald Harris, freed her by jamming his knee and arm between the lion's jaws and forcing the animal to open its mouth. Muskegon County authorities have ordered both the lion and its cub to be kept in their traveling cages.

MAN BITES DOG

Frankfurt, Germany—A man, with several drinks too many under his belt, became infuriated when friends took away his car keys. Then, as if to add insult to injury, a dog began barking at him. That was the last straw. The man seized the dog and bit him.

FALLEN WIRE KILLS 2

Durban, South Africa—W. J. Cronje, a farmer, shot at a bird sitting on overhead power lines. The shot knocked down the lines, which short-circuited and started a grass fire. His wife and their 14-year-old son died when they tried to put out the fire and came in contact with the exposed wires.

THE PRESIDENCY

President Eisenhower will continue to heap more official duties upon Vice President Nixon throughout the year.

If there is another health setback (such as a slight stroke), Mr. Eisenhower will resign almost immediately.

DISABILITY LAW

One of the hottest congressional debates will be on the question: "How and when does a vice president take over from an ailing President?" (There is no law in our Constitution today that defines that.)

Chances that Congress will be able to pass a bill setting down presidential disability procedure are about 50-50.

Should a law be passed, it wouldn't go into effect until '61.

POSTAL RATES INCREASE

First class mail will be increased 25 per cent by July 1. Congress will tie the bill in with a pay increase for postal workers and other government employes.

FEDERAL SPENDING

Before fiscal year '58-'59 is up, the governmena will have spent $5 billion more than in the previous year. (This is $3 billion beyond what budget planners will admit to at this time.)

The U. S. debt ceiling will be raised $2 to $3 billion.

FARM SUBSIDIES

Subsidies to farmers will be generally lowered. At least, this is aim of Agriculture Secretary Ezra Benson. Since this is election year, the oppositon party will make political hay out of Benson's plan.

LABOR HOURS

Talk of the 30-hour week will be hushed by labor leaders for '58. Reason? Too much patriotic talk about INCREASING the 40-hour week to help us catch up to the Russians in military achievements.

CONGRESSIONAL ELECTIONS

Democrats will increase their lead in the House of Representatives and hold their slim margin in the Senate in November.

All indications at this time point to a Democratic trend in 1958.

UNEMPLOYMENT

Jobs will get scarcer the first part of the year — possibly through April. Unemployment will reach an 18-year high (5 million) by February.

FOOD COSTS

Price of beef and pork will drop steadily through the year. By next November (election month), some farmers will be selling "$12 hogs."

SERVICE RIVALRY

Despite the Pentagon ban against inter-service rivalry, the "competition" will build up through the year—especially in the field of missiles.

Each service will try to outdo the others in claiming speed and accuracy records for its long-range missiles. The Army seems to have the edge at this time with its Jupiter-C.

INCOME TAXES

Despite the current talk of "holding the line"—or even reducing taxes in '58—there will be at least a five per cent increase in personal income taxes before the year is out.

Corporation taxes will remain unchanged. State and local taxes will be generally increased—one to two per cent.

PRESIDENT'S CABINET

The two most beleaguered cabinet officials—Ezra Benson and John Foster Dulles—will remain in office at least until July 1.

However, Dulles' under secretary, Christian A. Herter, may resign before then as a protest to Dulles' recent "cold shoulder" attitude toward him.

HERBERTS VISITING SUN VALLEY

Dr. and Mrs. W. R. Herbert, of 3240 Main Street in Lemon Grove, were guests at Sun Valley, Idaho, during the holidays.

WED — Mrs. Tom Webster was Miss Diane McCune before her marriage Christmas Day. Ceremony was performed at 6 p.m., in the Lemon Grove Methodist church by Reverend Donald B. Cooke.

Mrs. Webster is the daughter of Mr. and Mrs. Floyd M. McCune, of 2910 Cypress. The bridegroom is the son of Mr. and Mrs. Julius T. Webster of Nash, Texas.

Mrs. Webster attended Mt. Miguel High School. Her husband is associated with the Pacific Telephone Company. They will make their residence in San Diego.

'Open House' Set For Home Federal

Favors, refreshments, music, a "World of Wonders" contest and radio broadcasts will highlight a nine-day "open house", January 2-10, at Home Federal Savings and Loan Association's new El Cajon office, 20 0South Magnolia Avenue at Douglas.

"Everyone in the eastern section of the county is invited to visit us and join in the celebration," announced Alan Reed, manager of the local office.

Visitors will receive 14" x 20" aerial photos of the El Cajon Valley among other gifts. Refreshments will be served during all hours the new office is open, and Jose Manaois and Los Doneers will provide music at various times each day.

Each person attending will be given the opportunity to guess the amount of money contained by the "World of Wonders", a plastic globe filled with currency or various denominations. Twenty-three prizes will be awarded each day to the persons most correctly estimating the amount. Anyone guessing the exact contents will receive all money within the globe. Winners will be announced daily at noon.

Reed announced that special open house hours will be 9:00 a.m. to 5:30 p.m. except on Mondays and Fridays when the office will remain open until 9:00 p.m.

All facilities of Home Federal's new building will be open for public inspection. Free parking is provided in the Association's parking area at the southwest corner of Magnolia and Douglas Avenues, next to the El Cajon post office.

LOMITA VILLAGE NOTES

by Edna Rice — HO 9-6832

By the time this paper goes to press, the Christmas gifts will have been unwrapped and the wrappings put out in the trash can, and good-bye to Santa for another year. So your Lomita Village reporter may as well wish you now, one and all, a Happy New Year! We wish this column to be a community service, so please 'phone us your news, as we do not have a little crystal ball. If you are getting married or celebrating some other happy occasion, your Lomita friends would like to share your happiness. If you are a newcomer, we would like to welcome you to our community.

This seems to be the time that most everybody is making New Year's resolutions. I think if we make just one little resolution —to live by the Golden Rule—we can throw all the others out of the window. "Do unto others as you would have others do unto you."

In taking inventory of our lives as we approach 1958, are we glad we are living in Lomita Village? We should be. Our property is now worth considerably more than it was a couple of years ago. We have both the advantages of country living and city conveniences. Your reporter lived here when we didn't even have street lights. We have clean, fresh country air—no smog. In season, we can even smell the wild sage and the buckwheat from the canyons; we can hear cowbells in the distance. Do you know what the name "Lomita" means? "Loma" in Indian dialect meant the "high land," while "ita" is the Spanish suffix for "little." In other words, Lomita Village is built on the crest of a large mesa. You can see this best when driving out from town along the Number 4 bus line. Lomita Village is part of what was once the vast Rancho Ex-Mission. Some day somebody is going to dig up some old Spanish relics—maybe. Anyway, it's nice to think about. Your reporter's patio already looks so old, and the red tile paving is so green and mossy that Ramona herself could have lived there.

◇ LOMITA VILLAGE ◇

Lomita Village welcomes Mr. and Mrs. Alfred Metivier, formerly of 9105 Harness Street, moved in at 658 Sawtelle Avenue. Mr. Metivier is with the Pioneer Truck Co. of San Diego. Betty and Donna, new students at Samuel Gompers Jr. High School, say they are going to like Lomita Village very much.

◇ LOMITA VILLAGE ◇

Lomita also welcomes Miss Ruth Merrill Bryant, who hails from Martquez, Texas, via Dallas, where she resided for 13 years. Miss Bryant, who was graduated from Martquez High School and the Southwestern Baptist Theological Seminary in Fort Worth, is the new secretary at the First Baptist Church in Lemon Grove. Her new home is at 619 Sawtelle Avenue.

◇ LOMITA VILLAGE ◇

Poinsettias are wearing their scarlet holiday attire everywhere you go in the Village. When you cut them back in the spring, don't throw away your cuttings. They'll look just as nice blooming in your neighbor's yard next winter.

◇ LOMITA VILLAGE ◇

Rev. Orval C. Butcher, pastor of the Skyline Wesleyan Methodist Church, and Mrs. Butcher spent Monday, Tuesday, and Christmas Day with the pastor's parents, Rev. and Mrs. Charles Butcher of San Gabriel. Beginning Thursday this week he joins the young people of Skyline Wesleyan at the Wesleyan Youth Conference of Southern California at the Pine Valley Bible Camp for a week-end retreat.

◇ LOMITA VILLAGE ◇

Attention, please, parents of high school girls. Your reporter attended the recent reception at the House of Hospitality in Balboa Park in honor of Miss Janice Carlson, field director of the Seven College Conference Scholarship Program. High school girls interested in attending an Eastern college and their parents were guests. The women's liberal arts colleges comprising the conference are: Barnard, Bryn Mawr, Mount Holyoke, Radcliffe, Smith, Vassar, and Wellesley. The alumnae of these colleges do not claim they are better than any other, but that on general principles it may be good for Eastern girls to attend Western colleges and Western girls to attend Eastern colleges, as nothing is more broadening than travel. And each one of the above-mentioned colleges has something special to offer. For example Barnard College is part of Columbia University and so Barnard students can avail themselves of all the facilities Columbia has to offer, as well as the many cultural advantages afforded by residence in New York City. There are conference scholarships available as the basis of merit and achievement. But the deadline for application is January 31. Anyone interested in the Seven College program please 'phone your reporter at HO 9-6832.

◇ LOMITA VILLAGE ◇

Mr. and Mrs. John Bridger and son Danny, formerly of Canton Driveway, Monterey Heights, and now residing in Sedona, Arizona, are spending the holidays with relatives in San Dego. The Bridgers operated Bridger's Market, now Knight's Market, on Skyline Drive, for a number of years. They have many warm friends in both Lomita Village and Monterey Heights.

◇ LOMITA VILLAGE ◇

Rev. Edward Burgess announces the names of the new church officers of the First Baptist Church of Encanto recently elected for the coming year: Moderator, Sam Shockey; deacon, Irving Thompson, trustee, Walter Helling; trustee, Robert Sprague; deaconess, Mrs. Irving Thompson; deaconess, Mrs. Sam Shockey; treasurer, Joe DeMoville; church clerk, Mrs. Phil Davis; Sunday School supt., Phil Davis. Master planning committee: Rev. Burgess, Phil Davis, Walter Helling, Jim Davis, Irving Thompson, chairman.

Are there any singing Baptists, young or old, in the Village who would like to join the choir of Encanto First Baptist Church? Please see choir director John Jenkins or Bob Sprague. Choir practice is held Tuesdays at 7 p.m. Junior Choir practice is Saturdays at 3, and the director is Mrs. Moffitt.

◇ LOMITA VILLAGE ◇

Girl Scout Troop No. 19 held a Christmas dance last week-end at the home of their leader, Mrs. Dell Dickinson, 343 Sawtelle Avenue. The girls planned a real holiday affair, with Yuletide decorations, games, and dances to fit the occasion. The girls of the troop who attended were Susan Wilson, Judabeth Beaumeister, Kit Henderson, Shirley Van Gordan, Linda Keister, Anne Perrillo, Jackie Dolan, Carol O'Brian, Kathy Snell, and Darlene Carroll. The invited guests were Charles Hinds, Dick Grube, Gene Allison, Jerome Forstburg, Jimmy Luick, Tommy Hart, Douglas Ashley, John Eason, and James Kelsey. The dance was chaperoned by Mr. and Mrs. George Carroll and Mr. and Mrs. Dickinson.

Monday evening the Girl Scout Troop of Samuel Gompers Junior High School went caroling through the streets of Lomita Village. They held their annual Christmas party last week at the home of Mrs. Dell Dickinson, 343 Sawtelle Avenue, and sang carols and had their gift exchange.

◇ LOMITA VILLAGE ◇

Susan and Karen Wilson Dickinson of 343 Sawtelle Avenue danced in The Snow Queen Ballet in the annual recital of the Park the Organ Pavilion in Balboa Park. Maria Fielding was the choreographer.

◇ LOMITA VILLAGE ◇

Mrs. Cecil Henderson's Brownie Troop 1238 of Echo Neighborhood held their annual Christmas party recently at their leader's home at 303 Sawtelle Avenue. The Brownies played games and enjoyed a rotation gift exchange. Refreshments of cookies, punch, and candy were served. The table centerpiece was a snowman around which were grouped Santa Claus mugs. The guests were Frances Moore, Rose Marie Townsley, Judy Bistodeau, Judy MsQuillan, Sharon Jenson, Doreen Emahiser, Mary Jean Reuhs, Susan Stewart, Barbara Fischer, Jean Underwood, Kathi Johnson, and Kay Cee Henderson.

MONEY DOLL — Competition was spirited for ownership of the Plaza Princess, a doll dressed in money. The money doll give-away is an annual project of the Lemon Grove Business Women's League and the proceeds, if any, are used to beautify the plaza.
The winner this year was Pat Berger, 9270 Birch Street in Spring Valley. Corky Carmody is shown pulling out the lucky ticket. Edna Snyder is speaking at the mike and Julie Farle, president of BWL is at the right. It was not necessary to buy anything or be present to be eligible to win, the ladies say.

4-H Work Gives Students Knowledge, Poise Says Farm Advisor

Demonstrations are one of the most important educational devices used in 4-H Club work, states Robert W. McNulty, Farm Advisor, University of California. They give the clubs members experience in appearing and speaking before groups of people, develop self-assurance, induce them to do research on their subjects and enable them to become well-versed or experts on these subjects.

Subjects chosen are in some way related to agriculture or home economics.

The principal theme behind demonstrations is the actual showing of how things are done.

Each year there is county and regional competition for those local demonstrations of high merit.

In California, the history of 4-H Club work dates back to 1913. Then, under the direction of the dean of the College of Agriculture, certain students at the university who were members of the Agriculture Club, undertook to organize demonstration clubs in the high schools of the state.

A more definite start was made in 1914. Thereafter, with the rapid growth in the staff of the University of California Agricultural Extension Service, agriculture clubs became widespread throughout most of California. As in other states, these clubs were organized on a project basis, and their main purpose was the demonstration of better practices in agriculture.

Because of limited leadership, the total enrollment before 1925 had never reached 3,000 members. With the adoption of the volunteer local leader plan for clubs in each community, the total enrollment began to increase rapidly.

At the same time, the nature of the clubs changed from mere project groups to definite year-round organizations with a four-fold program for each club. The total enrollment in the state has increased each year, and in 1956, the total was 30,485.

With the national increase in appreciation for club work, along with its rapid growth, 4-H acquired symbols, mottoes, and additional purposes so that now we have a four-fold program for training the head, heart, hands, and health.

Stephanie Burns was installed as Senior Princess and Doree Radici as Junior Princess. Betty Cleavenger was installed as Guide, and La Royce Cooper as Marshal.

Other officers installed were: Connie Perkins, chaplain; Verda Doddridge, treasurer; Margaret Dudley, librarian; Wilma Whisenand, recorder; Lisa Norr, musician; Cheryl Nichols, senior custodian; Bea Weeks, junior custodian; Sue Stevens, inner guard; Linda Mallow, outer guard; Carolyn Lybrandt, first messenger; Susan Huffman, second messenger; Pat Putnum, third messenger; Shannon Dodson, fourth messenger; Sharon Summerville, fifth messenger; Karen Keeten, lady of the lights, and Sue Gregory, assistant recorder.

The master of ceremonies was Jack Wrede. Soloist was Jo Martin, singing "God Is Ever Beside Me."

A reception and dance followed the ceremony.

Uncle Sam Didn't Forget Y-O-U

All individuals who filed Federal income tax returns for the year 1956 and who have not moved to new addresses since they filed, may expect to receive their 1957 forms, together with a very helpful instruction booklet very early in the new year or sooner, according to word from Robert A. Riddell, District Director of Internal Revenue. These forms have been received by post offices from an Eastern source, and are ready for delivery as soon as post offices clean up the Christmas rush of mail.

Mr. Riddell states that many persons who filed last year's return on Form 1040 will find that they receive copies of the simplified Form 1040-A for this year. This does not mean that they are compelled to use that form for their current returns. It merely indicates that, judging by the sources and amounts of income and their use of the standard deduction, they could have used the simpler form as effectively as the longer one; and the punch-card form was mailed to them merely as a suggestion that they might use the easier method of making their returns. They may use the form of their choice.

Asked how to obtain the necessary return forms and instruction booklets in case a taxpayer does not receive copies through the mail, Mr. Riddell explained that they may be obtained at any Internal Revenue field office, and at many of the banks and post offices in Southern California cities.

The Federal income tax filing period will open on Thursday, January 2, 1958, and will continue through April 15. Many individuals will desire to file their returns immediately after January 1. Filing may be accomplished by depositing a return at any Internal Revenue field office, or by mailing it. If filed by mail, the District Director states that the envelope should be addressed to the District Director of Internal Revenue, Los Angeles 12, California, and not to any of the outlying offices, as many taxpayers have done in past years.

County Publisher Satevepost Story Subject

There's a world of difference between publishing a newspaper and being a Washington bureaucrat a San Diego County publisher says.

Thomas Braden, who gave up a civil-service sinecure to publish the Oceanside (California) Blade-Tribune related that he found this out the hard way.

In the current (January 4) issue of the Saturday Evening Post, he tells that the lesson was brought home to him about a year ago when he was reading a "good" issue of his Sunday paper and suddenly realized that it represented a net loss of $240.

Braden's article, "How I Became a Reactionary," tells that he recalled his days on the Government payroll, where the emphasis was not on money, but on "plans," and he saw that he had been operating under a "plan" in expanding the Blade-Tribune.

It is reported that he had increased the size from an average eight pages daily to an average of fourteen, but it meant buying additional equipment and hiring more help. Then he introduced a Sunday paper and costs rose some more.

Braden says he has no doubt that the changes made it a far better paper, although a highly unprofitable one. In the first month of operation, he relates, the net loss was $2500. By the fifth month—with his changes in full swing—the figure had jumped to $6000.

He recalls telling himself that in the old days this newspaper made money. When it was a tiny little eight pages full of canned columns, free advice from Roger Babson and editorials from the Bank of America, it made money.

"Now," the thinking continued," it's a good newspaper with two sports pages and a fine society page, and the editorials get reprinted in the St. Louis Post-Dispatch and the circulation is doubled. Only it doesn't make money."

Braden tells that he began approaching things from a different viewpoint, the private business goal of making money. And to do that he had to reduce the number of employes and cut other costs.

Right now, the author confides, his newspaper operation is in the black and he is finding that is a pretty good place to be."

PACK 354 GETS EIGHT BOBCATS

Cub Scout Pack 354 boasts eight new Bobcats. They are Larry and David Binder, Steve Biddle, Jerry Schnick, Duane Stroh, Steve Nelson, Brian Lange, Gregory Becker. At the same time Pat Mahoney, Karl Kaup and Mike Powell became Webelos.

Dens 6 and 7 presented a Christmas skit and Den Mother Mrs. Don Kaup was given a two-year pin.

DMV To Be Open Saturday Mornings

The La Mesa branch of the Department of Motor Vehicles will be open Saturday mornings beginning this week it was announced by Rolland Douglas, manager of the office at 7787 University Avenue. Open hours on other weekdays will be 8 to 5, he said.

The extra open day is to accomodate auto owners who will be renewing 1958 auto registration cards most of which have been mailed out.

Motorists have until February 4 to renew but the inducement for renewing earlier is obvious, Douglas said. Cards, together with the fes indicated by a blue arrow and the words "Pay this amount" on the main body of the card may be mailed to the La Mesa branch. Money orders or checks may be sent.

"Quite a few motorists who have received their 1958 statement cards early have mailed in only half of the cards with their fees. And some have sent in the 1959 fees which are listed separately on the stub of the card for future reference only," Douglas said.

"Either of these erors in mailed applications makes it necessary for the department to correspond with the applicant, and slows the issuing of the new year's registration card and the green rear license plate sticker for '58."

He recommends applying in person with the whole card. "If you find it necessary to mail your application," he adds, "be sure to send both parts of the card—do not detach the stub."

Register Now and Vote In '58 Says Registrar

The State primary election will be the first part of June and all newcomers to the area are urged to register to be eligible to vote. In order to vote you must have been in the state one year, in the county 90 days and in your precinct 54 days, prior to the election.

Mrs. Charlotta Phillips of 3546 Helix Street, Spring Valley (HO 6-4209) is registering in this area. She will register at home Sundays, Mondays and Tuesdays. She will register at the Food King Market, Campo Road and Bancroft, every Wednesday, 11 a.m. to 5 p.m. She will be at the Food Basket in Lemon Grove each Thursday, Friday and Saturday, 11 a.m. to 5 p.m.

Registration books will close the latter part of March.

"GOD" CHRISTIAN SCIENCE SERMON SUBJECT

The first Lesson-Sermon of the new year in the Christian Science churches on Sunday will be on the subject "God." The sermon will speak particularly of the allness, wonderfulness, tenderness, and glory of God and God's loving care for His children. The Golden Text for the day is from Revelation (21:3), "Behold, the tabernacle of God is with men, and he will dwell withthem, and they shall be his people,andGod himself shall be with them, and be their God."

MANAGER — William Howell, of 2618 Nida Place, who has been with the Bank of America 12 years and officer second in charge of Point Loma Branch of the past two and one-half years, has been promoted to manager of the firm's Ramona branch.

His wife, Margaret, has been active in Lemon Grove Woman's Club and the P.-T.A.

The couple and their two children will move in the near future to their new residence at 750 "G" Street, Ramona.

Little Leaguers Must Register Next Week Say Officials

Officials of the Lemon Grove Little League said that the final registration for the 1958 season will be held Monday, at the San Miguel Elementary School at 7:30 p.m.

Both parents should attend with the boy if possible and present the boy's birth certificate or legal proof of age at the time of registration.

A boy may be registered for the Saturday clinic but this does not constitute being registered for the Little League season.

Parents who cannot attend this meeting may register their boy at the home of league secretary, Mrs. Gladys Kreger, 2127 Eldora Street, Lemon Grove. She may be reached at HO 6-6231.

Spring tryouts for boys interested in competing in the Lemon Grove Little League will begin January 11, president Carmen Ursillo said this week.

Tryouts wil be held each Saturday beginning at 9:30. Each age group will be given one Saturday for their tryouts and the schedule is as follows:

Jan. 11—12 yr. olds (League age)
Jan. 18—11 yr. olds (League age)
Jan. 25—10 yr. olds (League age)
Feb. 1—9 year olds (League age)
Feb. 8—8 yr. olds (League age)

The league age of the boys is the age they will be on July 31. If a boy will be 8 years old on that date, he may be registered and try out for a team. If a boy is 13 years old on that date, he is over the age limit and will be ineligible to compete in Little League during the 1958 season.

Only boys of parents living within the boundaries of the Lemon Grove School District will be eligible for the Lemon Grove Little League.

Ursillo said that only boys who have been registered will be allowed to try out and play in the League.

JAYCEES TO SEE POGO STICK PIX

Lemon Grove Junior Chamber of Comerce will make the first meeting of the year a husband and wife dinner according to Bill Van Dusen, program chairman.

Guests of honor will be Rev. E. Walter Smith, new minister of the Congregational Church. Program will be a Ryan Aeronautics film on the Pogo Stick, the vertical take-off plane VTOL X-13.

LEMON GROVE, CALIFORNIA THURSDAY, JANUARY 2, 1958

The Dimmer VIEW

(Continued)

from 3 to 4 percent?

The amount for July, August and September was roughly $66,000.

We arrive at that amount by comparing Lemon Grove with La Mesa. According to the state board of equalization, La Mesa was reimbursed $66,097 for the three months.

According to a survey conducted by the Los Angeles Bureau of Municipal Research, a study for which some of us paid a few months ago, Lemon Grove has a greater retail sales volume than La Mesa. That being so, the reimbursement should be greater.

For the $66,000 or more we should be entitled to we have gotten so far a plot of ground at Washington St. near Mt. Vernon and this has been designated a "park" but no work has been done on it and the "park" is not usable.

I had a talk this week with Biff Gardner who the county hired to establish parks, but he said that money would have to be budgeted in July for improving this unnamed park. My argument was, and he finally concurred, if only to a mild degree, that the "park" area could be scraped, a few trees knocked over, and some old stoves, tables and benches not good enough for some of the county's better parks, could be installed now, and we could have a usable picnic area this month.

Gardner promised he would take steps to get the "park" into such shape that it could be used for picnics on the balmy winter days ahead, if Dave Bird, the county supervisor, would concur.

Bird told me a couple of months ago that he wanted to see that newly acquired "park" area put into use as soon as possible.

In the light of these facts I ask Mr. Bird and Mr. Gardner what gives? Isn't anyone speaking to anyone at Civic Center?

The Paul Remele family got many compliments on their Christmas scene built on their lawn at 3478 Haris Street. The scene showed Old Saint Nick in a huge sleigh loaded with toys. These were pulled by a huge, and beautiful reindeer.

Christmas was not made merrier for the Remele family, or the kids who believe in Santa because someone stole the reindeer on Christmas Eve.

As it always happens in service clubs, so it happens in the Kiwanis. Each week there is a door-prize drawing, the proceeds of which goes to club projects. A group of us are happy dissidents because we seldom win the prize. Naturally, we set up a howl, inferring dishonesty among those who have part in the project. I have been a member of the club for five years, boast a five year perfect attendance pin. The first week I attended the club I won a prize. I haven't won since.

After five full years of loud complaining the officers announced that I was to pull the lucky number. The complaints are louder now. I pulled my own number!

The annual peanut sale starts in mid-January for funds for the Blue Birds, Camp Fire Girls and Horizon Clubbers. I am made sorry each year by this announcement. Not that I dislike these little ladies. It's because peanuts give me indigestion. I have neither will power nor sales resistance. So I buy 'em and then eat them.

For the past couple of years, Frank Armstrong, local attorney has headed up this event and for some reason or another he sets me up as a target. I manage to eat a couple cans of these devilish nuts before I get home where my wife hides the rest safely away from me.

I guess this will be repeated this year. I plan to resist mildly, however, because I still have two cans of peanuts left over from last year. I suppose this fact is no defense against such a worthy project . . . but I'll try it.

HOW SPRING VALLEY LOOKED IN 1957

by H. A. Thomas

Well, that little man in the three cornered, streamlined pants is peekin' his head aound the corner. Yes, Mister 1958 himself, with a sly look on his face. Wonder what he's got on his mind? We know he's chased Old Man 1957 right off the face of the earth. But that's youth for you . . . must be served.

But Old Man 1957 . . he wasn't such a bad old duffer at that, and many of us 'll kinda miss the old gent. True he made mistakes, but no one's infallible.

He sure had his hand in many Spring Valley problems: water, sewer, schools, elections and many other things to make the news. He made quite a few enemies, and many, many friends. So with respect to his efforts and good intentions we should all hold a deep respect for Old Man 1957. May he rest in peace.

What were some of 1957's undertakings in our community? Well, here are some of the highlights:

Early in January Mr. Byron Miller, general manager of the Helix Irrigation District, warned of a water shortage. He said there was enough water to last thru the fall, but if it didn't rain, rationing could be possible. But we managed.

About the middle of January the SV Protection District got into the picture by announcing there were nominations open for fire commissioners. Then the Helix Irrigation District had candidates for board memberships gird themselves for a battle, and one candidate figured it was a good time to withdraw . . . which he did. No use fightin'.

Then at the latter part of January the Spring Valley Chamber of Commerce installed new officers for the year, with J. C. Danner as president. And right away the chamber got busy discussing our road problems. In fact they're still discussing them, although their letters to the county have done a great deal of good.

Came February and Campo Road got a speed limit cut, much to the satisfaction of many a worried mother with small children out there. The mothers were also in the news by having a "Mother's March" and collecting $325.25 for the March of Dimes.

With everyone discussing teachers' pay status, a spokesman for the La Mesa-Spring Valley School District said that area teachers' pay was equitable.

Then with much discussion of too many small elections costing the taxpayers too much money, a group endeavored to form and call themselves the "Public Agencies Council." They figured they could do something about saving the taxpayers money. It was a good idea, but they failed to get financial backing.

In the election for board member of the Irrigation District, Bob Rundall, incumbent, was re-elected.

With Spring Valley growing like mad, the firemen began to study the possibilities of a relief fund, which later on became a reality.

Near the end of February two little Greek girls made the news, by being adopted by two warm hearted Spring Valleyites.

Then came a rumble of incorporation for Spring Valley, which since has gained momentum.

Came the month of March and our good friend Postmaster Mildred Moran did Spring Valley the honors when she was elected secretary-treasurer of th County Postmastrs' Association.

Then chamber of commerce president Danner got busy and appointed a committee to study zoning and incorporation for Spring Valley.

With the Casa de Oro School attendance growing, the LM-SV School District figured more room was needed, so they asked for Federal funds to help.

About that time the SV Co- having difficulty getting even a fair attendance, put out an S.O.S. for more representation. It since closed down for a while.

At the end of the month the Trinity Presbyterian Church announced it would build a $100,000 sanctuary. It since has made good progress.

April rolled around and Stan Totten was elected to the station of SV fire commissioner.

About that time a Spring Valley man was arrested for assertedly stealing 12 skill-saws from another man in the community.

Then much to the pleasure of many school children and adults, it was announced the Spring Valley library would open on Troy Street.

Happy Day!! Near the end of the month the LM-SV School District announced that schools would go on single session.

The Lemon Grove-Spring Valley Pony League then set dates for tryouts.

May started out with a big celebration . . . the dedication of the new Bancroft Elementary School, with speakers, music, entertainment and refreshments. Many older Spring Valleyites were there as were many other of our newer residents. A lovely time was had by all.

Soon thereafter the Pony and Little Leagues opened their season. The public was showing a great deal of interest in these boys and the attendances were good.

Then the SV sewers got back in the news, by the county announcing more line contracts were being let under the 1911 Act.

Around the middle of the month two Spring Valley boys (supposedly) playing around, bursted one of the open water pipes with a couple of huge rocks. For a while it looked like "Old Faithful" had moved from Yellowstone Park. The Irrigation District said the loss was about 18,000 gallons.

Near the end of the month Spring Valley teachers got the word their pay would be upped.

A Spring Valley "muscle man" named William Golumbich then made news by winning the title "Mister Pacific Coast." He went on to enter the "Mister America" contest and wound up in fifth place. Any how it was a boost for our fair community.

The month of June saw our regular SV firemen strutting around in their new blue uniforms. And then came the annual firemen's ball at the chamber of commerce hall. A nice turnout and lots of fun.

A bit later on Mr. Miles Nagel, ex-mayor of La Mesa, appeared before the Coordinating Council and urged a borough system of government for this area.

Several Spring Valley Boy Scouts of Troop 47, near the end of the month made the news, by preventing what might have been a serious brush fire. They were commended by Fire Chief Clark.

Then came a blow . . . talk of raising school taxes.

In the early part of July the post office was back in the news by its purchase of new mail trucks, and doing away with the use of private cars for deliveries.

Then a Spring Valley Girl Scout leader did herself the honor of passing the bus driver's examination and was able to assist in the driving of a bus to take her troop to Yosemite Park.

About that time the ground was broken at Conrad and Campo Road for a new Catholic church and school. Construction hasn't started yet.

Then the residents of Casa de Oro got the good news that sewers had been OK'd for their area.

Mrs. David Pascoe is tea chairman for the evening, assisted by Mrs. F. Clarke Lehew, co-chairman, and Mmes. Robert Casey, Ralph Beaudry, Catherine Holland, Robert T. Olmstead, and Mrs. Elmer L. Jones. Mrs. E. C. Kelton is president of the group.

3 SV Families Say New Year Looks Bright

(Continued)

Came the day when the owner of the station returned from Los Angeles and True took on other employment, but he still bought his oil and gas at the station.

Then just a few days before Christmas, True Butler and his wife stopped by Paul's Corner to find out who was winning the prizes and especially to find out about the Cadillac. What was True's surprise? His ticket held the lucky number for the car. His wife told your reporter she was shaking like a reducing machine. She had been taking cold . . . the flu she thought . . . and wasn't sure if it was that or the excitement of winning a "Caddy." The ironic part of the whole thing was that the Butler ticket number was the second number to be drawn. The first number was held by a Spring Valley person who failed to call before the deadline . . . thus causing the second number to be drawn.

The Cadillac was delivered December 21. The Butlers have three children.

Winner number three in Our Valley, was Frank Thomas, co-owner of the Thomas-Mikkelson Disposal Company. Frank and his family live on Kenwood Drive. Frank's winning? Five hundred dollars given by the Lemon Grove merchants. It was the first thing of any value Frank had won, according to his wife Ruby.

On the night of December 23, when the $500 was to be given away, Frank sat in the living room of the Thomas home watching tee vee. Wife Ruby was in the kitchen making a salad to take to a party the next night.

Ruby said that suddenly the phone rang, and Frank answered. Then, she said, she thought the Indians were on the war-path again as war whoops started coming from the direction of the telephone. Frank came dashing into the kitchen all excited and started yelling, "I won it. I won it."

"Won what?" asked Ruby eagerly.

"The five . . . the five . . . the five hundred dollars," Frank blurted out.

Well, it didn't take Frank and Ruby long to get dressed and head for Lemon Grove.

When they got to the plaza where they thought the money was waiting, everything was in darkness and not a soul in sight. After doing a bit of inquiring, the Thomas couple found the money at the Brouillard Hardware Store. After the proper identification and signing for the money, Frank was given five new one hundred dollar bills.

"One hundred dollar bills are a rare thing around our home," said Ruby. She said that the children and all their friends who dropped in, wanted to "Just have a feel of that money, and maybe some of it will rub off."

Anyhow, Frank and Ruby Thomas are planning to have at least a one-week vacation and help the children a bit with the money.

A big "Thank you" goes to the Business Women's League and the Lemon Grove merchants for their gracious and timely gifts.

Publisher Folds Five County Newspapers

Five area newspapers, all published in El Cajon at one publication address, suspended publication this week.

The papers are the El Cajon Record, La Mesa News, Lakeside Star, Heartland Press and Clairemont-Vista Press. They were published by the Southland Publishing Co., at 229 S. Douglas Street.

Don Moyer, publisher and business manager, said the company's offices have closed. Composing room equipment, presses and office furnishings will be shipped to the parent firm, the Torrance Press.

W. R. Zappas, owner of the Torrance Press, suspended publication of the papers as part of a company consolidation program, Moyer said.

The five papers have been published an average of eight years, Moyer said.

The final issues were published last Thursday.

YEAR IN REVIEW . . .

(Continued)

down Grossmont Hospital request for financial aid for new wing.

Sheriff's deputies fired a shot to apprehend Sam Henry, Jr., who sought refuge in the United Pentecostal Church. He was found cowered behind the organ. The Lemon Grove REVIEW entered its 10th year as a newspaper. Traffic was so heavy on Skyline that it was changed to a thru-way.

In Steptember 1450 students registered for the first Mount Miguel High School classes. Richard Silvey, an inspector for Helix Water Works said a 4 million gallon tank being built on Costa Bella would fail. This was later refuted.

The Homeland Judicial Court was "absorbed" by an action in which Judge Luther Hussey was automatically raised from a $5,100 a year justice of the peace to a $16,500 a year judge. The State Controller's office admitted "some confusion" in school district rates which had allowed a 45c maximum rate to become 60c. The month ended with kids ruling the Grove as the annual Kiwanis Kids Day was observed.

In October burglars took $1,200 from Spin Inn Cafe and $2,700 from Bill's Self Serve. Prudential Stamps became a casualty as Mayfair Markets discontinued them suddenly and thousands of stamp savers were affected. A Lemon Grove barber, Bob Sargent, entered a plea of "not guilty" to a sheriff's complaint that he was renting obscene movies to a group of college youths. The Lemon Grove school construction issue passed by an 11-1 margin. The Lemon Grove Optimists Club was formed and the month ended with the Rotary Club giving $500 to Mt. Miguel for band uniforms.

In November Mrs. James Yeo was made Worthy Matron of the San Miguel Chapter of the Eastern Star. Allen Rice, of Skyline Drive, father of three chnldren, killed himself in El Cajon and George Scott paid $100,000 for 7 acres of unimproved land adjacent the College Grove Center. Dr. Lande was named presiednt of the Mt. Helix High Twelve Club and Lemon Grove was first to make its quota in the United Fund Drive and the parking area was paved in front of the postoffce after a year's running battle between this newspaper and officials from Lemon Grove to Washington as the month ended.

In December the Gas and Electric Company applied for an increase in gas rates and the Grosmont High School Board OK's a junior college and overtime pay for instructors. A sad note came when Dick Henderson, longtime newspaperman, and reporter for the REVIEW, died. Mrs. Fritz Berger of Spring Valley won the 1957 Business Women's League "Money Doll' 'and Frank Thomas, also of Spring Valley, won $500 in the local merchants' Christmas door prize drawing.

Racoon Has Own Christmas Tree

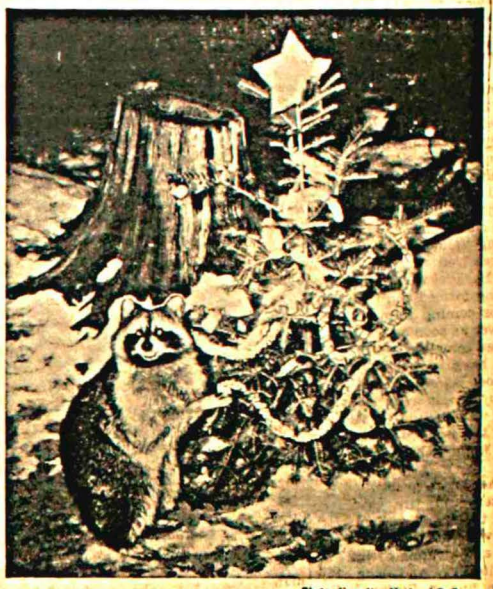

Photo: Canadian National Railways

WHO WOULDN'T GRIN? Jasper, a celebrated racoon who lives at a fishing camp along the Trans-Continental line of the Canadian National Railways in Northern Ontario, has his own Christmas tree this year and he likes it. What racoon wouldn't grin when he finds that guide Jack Wilkinson has decorated the tree with all the routine trinkets plus a liberal amount of bacon rind of which racoons are especially fond. Jasper is the racoon who made headlines a couple of years ago when he failed to win a race crossing the tracks at Government Park, Ont. as the "Super-Continental" came along. The train clipped his tail off and tossed him into a snow drift. He has fully recovered as this picture shows. FNS

DISOBEDIENT
Bloomington, Ill.—When seized by police after he had strolled through the Bloomington business district, smashing 48 plate-glass windows with a lead pipe, James Atkins explained his actions by saying, "The State committee told me not to do it, but I fooled 'em."

HOW SPRING VALLEY LOOKED IN 1957

(Continued)

But the sewer delay, as far as some of Spring Valley was concerned, was attributed to large rocks and an underground river. In fact the contractor was pumping water for several days at Campo Road and Bancroft. The water was termed "drinkable."

The month of July ended in a festive mood as the Chamber of Commerce presented the "Spring Valley Pageant," telling of the early history of the area, especially the old Bancroft ranch. The county-city band did its part by providing some good music.

The early part of August saw a couple of our Spring Valley baseball players being called to the major leagues.

Then some of the people east of Spring Valley and down in La Presa received the good tidings that a La Presa Water District was being formed and that water would be coming from the Colorado River as soon as the District work was completed.

Then, bang . . . just like that . . . school taxes go up 18 cents. But many people were happy, because it was announced that the office of the soon-to-be-had Mount Miguel High School had been set up.

And then more good news . . . fire taxes and fire insurance rates in the SV Fire Protection District were to be lowered because of a new rating by the Fire Underwriters . . . And along came the same line, a Spring Valley home is hit by fire for the second time.

Came the month of September and the Mt. Miguel High School was finally opened, although it was still under construction. "Organized Confusion" principal Grant called it . . . How true. The faculty and students were said to be "pioneering."

Then amid all this came the announcement that the Home moved to San Diego City. The Chamber of Commerce and other organizations of both Spring Valley and Lemon Grove protested but to no avail. It went "that-a-way."

Then the Countain-Valley Taxpayers Association got in the news by protesting the construction of a road by the county in an area near a county supervisor's land.

A Spring Valley couple then got in the news by celebrating their 64th wedding anniversary.

The month of October started off with school children participating in "Fire Prevention" week.

Following this the P-TAs started girding for their annual Halloween Carnivals.

And coming right behind was the announcement by the high school and elementary school districts that lower taxes were possible.

Then a group sought to have Spring Valley rezoned.

And right upon the heels of this came the word that the Spring Valley Fire Protection District would undergo some changes because of new legislation. Two new fire commissioners could be added.

Then more money matters . . . a hike in water taxes.

November and some person or persons went on a rampage and vandalized the new Bancroft School . . . a matter for the sheriff.

About that time the old flu bug started to play havoc with the local schools' attendance and many classes were only partially attended.

The sewers got back in the news again in November. The county board of supervisors told the contractor for the treatment plant that his contract was being cancelled as his work was way past schedule. After much wrangling the contractor was given extended time, the plant to be completed early in January.

Came December and the North Park Toyland Parade . . . Spring Valley chamber of commerce with its float and marching units came home with the award for the best in the unincorporated areas.

Then the area was saddened by the passing of one of San Diego County's early newsmen, Dick Henderson. A reporter for the Bulletin and the Lemon Grove Review, Dick died at the age of 77.

But the year ended with good cheer and good wishes for everyone. Old St. Nick himself made an appearance at the Children's Christmas party in the Spring Valley School and brought cheer to many a Spring Valley child.

And so it went . . . a bit of cheer, a few tears, is what Old Man 1957 is leaving behind here in Our Valley.

And little Mister 1958 . . . what's he going to be; a hero or a "stinker"? Only time will tell. He'll probably be called both. But let's welcome him with open arms. Bless his little heart.
